THE SOUL AND SCIENCE *of Beauty*

WHERE BEAUTY INNOVATION BEGINS

ACTIVE INGREDIENTS

NEW Beautiferm® HairRePair

BeautiFerm® HairRePair strengthens and rebuilds the hair fiber using low–molecular-weight yeast peptides. These peptides penetrate into the cortex, restoring damaged hair structure and improving hair resistance and overall health.

Aqua; Saccharomyces Lysate Extract; Glycerin

SPHINOHANCE® Clear

SPHINOHANCE® Clear is a ceramide complex that unlocks transparent aqueous and surfactant formulations through its Glycolipid–Ceramide fusion. It enhances skin and hair deposition, boosts hydration and penetration, and helps soothe scalp irritation, reduce flakiness, and regulate sebum—all in modern leave-on and rinse-off formats.

Ceramide NG; Glycolipids; Sodium Benzoate; Aqua

Vecollage® Fortify P

Vecollage® Fortify P is a skin-identical collagen type III polypeptide in an efficient, minimal-dose powder format perfect for modern anti-aging formulas. Clinically shown to reverse the equivalent of 6 years of aging in just 60 days, it targets three Hallmarks of Aging to support longevity at the cellular and tissue level.

sh-Polypeptide-69; Leucine; Citric Acid

X50 CellEssence®

X50 CellEssence® targets and revitalizes the essence of cellular life: mitochondria. Based on a dual-target, cell-mitochondria delivery system, it protects and delivers CoQ10 directly within mitochondria, addressing oxidative stress and mitochondrial dysfunction, key drivers of cellular aging. Powerful mitochondria, radiant longevity.

Lactic acid/Glycolic acid copolymer, Polyvinyl alcohol, Ubiquinone, Maltodextrin, sh-Oligopeptide-203 SP Amide, Palmitoyl hexapeptide-61

INVEILOX® COProtect MB

Natural[1] antioxidant powered by synergistic co-action – designed for superior formulation stability, enhanced on-skin performance and smooth processing. ([1] as of natural origin according to ISO 16128, I_{no}=1.0).

Carnosic acid; Oryzanol; Phytosterols; Cetearyl alcohol

SPHINOX® Vively

SPHINOX® Vively unlocks the power of advanced sphingolipid science to visibly rejuvenate skin—reviving resilience, restoring barrier strength, and revealing a smoother, clearer, more radiant complexion while delivering a caring anti-aging effect that nurtures skin back to its youthful look and feel.

Salicyloyl Phytosphingosine

Calmamelis®

Experience the power of Hamamelis virginiana from the South of France. Calmamelis® is rich in PGG and clinically proven for its soothing and anti-inflammatory benefits, especially for the scalp.

Glycerin; Aqua; Hamamelis Virginiana Leaf Extract

FLORAVERA™ Extracts

A line of botanical extracts centered on a lead "hero" molecule - crafted with expert extraction know-how featuring compelling narratives and supporting bibliography to demonstrate efficacy.

FLORAVERA™ Lavender Flower Bio Extract

Derived from the purple treasure of Provence, it embraces the natural qualities of rosmarinic acid-rich lavender, renowned for supporting skin firming and protecting the skin against exposome-induced stress.

Glycerin; Aqua; Lavandula Angustifolia Flower Extract

FLORAVERA™ Black Currant Leaves Bio Extract

Celebrate the value of this French botanical co-product. Extracted from dried Ribes nigrum leaves, it is known to deliver naturally soothing benefits for sensitive skin while helping strengthen the skin's oxidative defense.

Glycerin; Aqua; Ribes Nigrum Leaf Extract

FLORAVERA™ Peony Root Extract

Let's capture the essence of a timeless Asian flower of elegance, bringing centuries-old botanical wisdom into modern skincare. Known for its soothing and fortifying properties, this precious root extract helps calm sensitive skin while supporting long-term skin vitality and longevity.

Glycerin; Aqua; Paeonia Lactiflora Root Extract

FUNCTIONAL INGREDIENTS

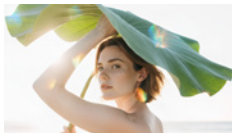

RHEANCE® Soft GO

A skin barrier-strengthening cleansing agent that delivers exceptional mildness and multifunctionality. It contains glycolipids produced through fermentation, combined with other skin-friendly components to support gentle cleansing.
Glycolipids, Glyceryl Oleate, Glycerin

ECOHANCE® Soft BOL (Data available on intoBeauty®)

An ester oil offering exceptional silky sensorial benefits, ideal for skin, sun, and color cosmetics. Made from three types of next-generation feedstocks: all sourced from side or waste streams, and via a low temperature esterification process combined with a more renewable energy grid mix, results in remarkably low PCF.
Butyl Oleate

TEGO® FILMSTAR BST1

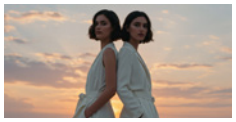

This innovative biopolymer is an inherently biodegradable film former that boosts SPF performance in sun care by forming a uniform, hydrophobic layer that increases UV filter efficiency and supports next-generation solution for creating high-performing sun care products — suitable even for lightweight sprays and fluid products.
Behenoyl Polyglyceryl-3/Hydrogenated Dilinoleic Acid/Sebacic Acid Crosspolymer

ISOLAN® DisperPlus

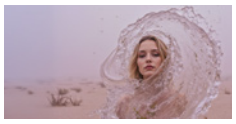

A biogenic, cold processable W/O emulsifier and natural[1] silicone alternative for pigment-rich cosmetics and inorganic sunscreen lotions. It provides excellent emulsification, pigment wetting, and stabilizes high pigment loads for a light, non-oily, soft and silky skin feel. ([1] as of natural origin according to ISO 16128, I_{no}=1.0)
Polyglyceryl-4 Diisostearate/ Polyhydroxystearate/ Sebacate, Polyhydroxystearic Acid

TREND-INSPIRED CONCEPTS

NEW Solid Beauty

Get an understanding of the market drivers, learn how to master the art of stick formulations, and discover new opportunities for product development.

NEW The Beauty of Formulating with SKINLIPIX® HydraShield

Explore applications that traditionally would have been challenging with ceramides – ranging from aqueous systems and sprays to decorative cosmetics, cleansing powders, deodorant powders, and lip products.

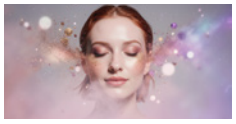

The First Ritual – Indulge Your Skin with Facial Cleansing

The First Ritual elevates cleansing into a true skincare moment, powered by a biosurfactant-based system enhanced with skin-benefit actives to deliver gentle performance, barrier support, and refined sensory.

SunGuardians 2.0 – Protection for my lifestyle

High-performance sun protection, offering tailored formulations for different lifestyles—whether you are relaxing on the beach, navigating the city, or on-the-go.

Make-Up Magic: A Beauty Tale – Fairy-Tale-Inspired Color Cosmetics Formulations

A versatile color cosmetics concept uniting high performance, natural credentials, sensorial textures, and luminous radiance, supported by extensive performance tests.

Biomimetic Beauty – Inspired by Natures's Design

Where science follows the skin's own poetry — with skin-identical ceramides, vegan collagen, and hyaluronic acid working in effortless harmony. A ritual that restores what time and stress quietly take away - intuitively, gracefully, beautifully.
